

Yonex East of Scotland Junior Championships 2011

Spectators at this year's Yonex East of Scotland Junior Championships were once again treated to some excellent badminton throughout both days at Meadowbank Sports Centre last weekend, culminating in some excellent finals on Sunday afternoon. Entries were up on 2010 with over 220 players participating in an event which featured not only the best Scottish talent across the four age groups from under 13 up to under 19 but also several highly talented players from Northern Ireland and England.

Emma Cook was the only triple winner this year, dominating the girls' competition in the Under 19 age group. The following players won two titles; Shona Whillans & Christopher Grimley (Under 13 age group), Julie MacPherson (Under 15 age group) and Matthew Carder (Under 19 age group)

We were delighted to welcome Bill Hogg, Racquet Sales Representative from Yonex UK, to present the prizes.

Tournament Referee, Ian Campbell expressed his sincere thanks to Yonex, who have now sponsored this event for 11 years, to Meadowbank Sports Centre for providing the excellent facilities, the members of Lothian Badminton Group and the Court Officials of *BADMINTON*scotland for their assistance during the event, as well as to the players for the high standard of play and overall high level of sportsmanship.
